leadership is not just for the execs in the corner office it s time we all stepped up and developed the mind of a leader in a time of rapid technological change and economic uncertainty businesses that thrive will do so through empowering employees at all levels to take an active role in leading themselves and their organisations to success it s time that we all at every stage of our careers started to think proactively take responsibility and excel in work this is the new face of leadership consensual and nonhierarchical scandinavian entrepreneur and business guru fredrik arnander outlines strategies and

tools for transforming anyone into an effective leader he offers a simple straightforward highly practical approach to developing the leader mindset and these aren't lessons from on high they're clear and functional examples drawn from real life experiences we are all leaders is all about empowerment it will transform you into a confident focused visionary and can help you inspire that same passion in others a refreshingly simple and practical guide to leadership for anyone who wants to progress in their work based on the author's experience of running fast technology companies creating agile and flexible organisations through leadership at all levels lessons are taught via easy to follow dialogue between a mentor and apprentice exchanges which emphasise teamwork and reciprocal learning everyone should read this book it provides useful insights and examples that will help you grow as a leader irrespective of whether you are just starting out in your career or if you are a seasoned ceo rikard steiber global marketing director mobile social google shows us how real world leadership succeeds both in daily business as well as in our everyday lives well researched the book speaks in human terms with smart examples and clearly defines the partnership between team leadership and personal growth scott raskin ceo mindjet

in twelve essays influential scholars in political science explore the meaning of political leadership from the kaleidoscopic perspectives of the leaders institutions goals procedures problems and traditions involved the approaches as varied as the subject itself coalesce around the central question of how leaders interact with transform or are controlled by the organizations they lead

strong business leadership built on a value based foundation has the power to drive profit while improving the lives of business leaders employees and even those in the community but a business leadership model must also reflect cultural context which is why author stanley temple argues that a cookie cutter individualistic western approach doesn't serve the needs of chinese business leaders enter leadership wisdom for businesses in china a powerful four book series that examines value based business leadership specifically within the chinese cultural and social environment and offers a framework to promote individual and collective potential while creating a successful and competitive business in book

three values guide decision making for results temple explores the importance of ensuring all decision making is results based and dives into four business leadership responsibility areas that contribute to business success strategic direction complementary partnerships leadership development and governance accountability with a focus on technical tools creating and using a three year business plan is examined along with decision making processes to ensure all strategic action is aligned with performance objectives case examples of successful chinese businesses are also used to illustrate how these tools work within a cultural context much more than a theoretical overview of business leadership this series offers a roadmap and solid tools for developing both self leadership and business leadership within a whole company supported by a chinese project team consisting of researchers educators writers and editors business leaders and other stakeholders this culturally relevant series has been written for both new and experienced business leaders and entrepreneurs leadership consultants and trainers and post secondary leadership programs in china however stakeholders in the west will also find great value in this comprehensive exploration of value based leadership the other volumes in the leadership wisdom for business success in china series are book one confronting the business leadership crisis book two developing a value based business book four cultural factors define implementation strategies also available in mandarin

drawing upon critical social theorists like habermas depth psychologists like jung and phenomenologists like hussert denhardt shows how the ethic of organization inhibits the individual's search for meaning and then discusses strategies for enhancing the individual's role he champions independence expressiveness and creativity over discipline regulation and obedience

terry gillen proposes that practical leadership is about orchestrating better performance not by coercion or pulling rank but by creating the conditions so that people want to perform better hyperbole and abstract theories are cast aside in favour of ideas that can be put into action immediately

leadership skills for managers is an in depth exploration of the abilities and qualities of a leader as

opposed to just a manager leadership attributes such as problem solving team building and communication are analyzed tools techniques and real life examples help the reader develop a plan of action for transforming a vision of leadership into an implementable reality

this second edition focuses on the development of teachers as leaders and the skills they need to accomplish the task the authors skillfully guide the reader through the development process of teacher leadership pointing out the benefits to students staff and community the book describes the importance of teacher leadership and how teacher leaders can help other teachers to excel today s teachers must assume roles typically held by principals and other school administrators by doing so teacher leaders not only help to relieve stress on administrators but are also empowered and challenged as a result in a clear concise manner the authors describe how teacher leadership can be a powerful tool in changing the current educational system teacher leadership in the school combined with collaboration and support from the local community is a recipe for positive change

this edited volume explores different models conceptualizations and measures of leader interpersonal and influence soft skills that are so necessary for effective leadership these include the communication skills persuasion skills political savvy and emotional abilities used by leaders to inspire motivate and move followers toward the accomplishment of goals the book emanates from the two day long 21st kravis de roulet leadership conference which brought together top scholars working in this area the intent of the conference and this edited volume is to increase understanding of the interpersonal and influence skills or soft skills of the leader to highlight state of the art research on the topic and to provide clear research based guidelines for the development of leader skills chapter authors are recognized experts in their respective areas and each section of the book will be introduced by an editor authored chapter reviewing the specific topic area in brief
